

Contest opens September 2015!

NOCTI
2016 Video Contest

**SUPER
CTE**

**2016 Video Contest
Theme Announced...**

BE YOUR OWN HERO!

A cape or a mask isn't a requirement to be a hero. CTE prepares students to save the day in areas such as law enforcement, nursing, welding, and information technology. Encourage your students to create a video to show off CTE "super skills". Videos can be created individually or students can join with their sidekicks to creatively highlight the contest theme and engage the audience.

Watch nocti.org for more details and in the meantime, check out the 2015 winners!

Win prizes and gain recognition
for your CTE programs!
